

INNER WHEEL NEWS

March 2007

Jacqui Butcher writes . . . President Barbara opened the meeting and began by saying how delighted she was with the February meeting when our District Chairman, Jenny Weathersbee, visited the club.

The meeting was preceded by the Annual General Meeting, where reports by various club officers were given. Officers for the incoming year 2007 - 2008 were appointed. Subscriptions for the year will now be £40.

The normal meeting then followed in which Moya Harvey was thanked for arranging the dinner at The Jade Fountain on 8th March, and also the theatre visit to the Mill - at - Sonning on 5th April.

The handover meeting in June will be held at Mill Ride Golf Club and will consist of a Ploughman's Lunch at a cost of £7.50 - more details later.

Three members attended the District and AGM meeting on Wednesday, 21st March; the next meeting will be held at Benson on Thursday, 12th July at 6.30 p.m. Anyone interested in attending, please inform Hilary Corio.

Jane Short reported that the next Tom Conlin convoy to Kosovo will take place in September. Money is desperately needed so that more lorries can be sent to transport the donations of clothing, etc.

The profit made at the Birthday Anniversary Lunch amounted to £916. It is hoped to make this up to £1000 for the Thames Valley and Chiltern Air Ambulance Service. A further £200 is to be donated to the Dyslexia Association, which is the District Charity; and £200 to Breakthrough for Breast Cancer which is the Inner Wheel Association Charity.

OUTSIDE EVENTS
