

INNER WHEEL NEWS

May 2007

Jacqui Butcher writes . . . President Barbara opened the meeting by welcoming our speaker, Mr Jonathan Fisher. She then inducted Jane Batterbee as a new member presenting her with a yellow rose of friendship. We were pleased to welcome back Rhoda Brown and to see her again after a long absence. Mr Fisher then entertained us with anecdotes of his work as a 'jobbing' singer at Covent Garden, and many other opportunities connected with that theatre. He then gave a short recital of songs and related details of life behind the scenes with great names. Members showed great interest in the tea dances held at Covent Garden on Friday Lunch times. A vote of thanks was given by Hilary Mear.

Recent visits were reported on by various members including a visit to the Danish Market at Regent's Park. Nine people attended Heathermount for the aromatherapy sessions. Stephanie Lord and her team looked after everyone - and, for those who missed it and would still like to participate, Edith Hunter will hold a tea and aromatherapy on Wednesday 8th August - tickets £6 in aid of Friends of Heathermount.

Jane Short will be holding a Midsummer Barbecue on Sunday, 24th June in aid of Tom Conlin's next journey to Kosovo. The cost of £10 will help towards his fuel bill.

Arrangements for our summer garden party on Wednesday, 11th July, at the home of Alice Pack, are well in hand. The cost for members is £5, and visitors £7.50. There will be a raffle and a bring-and-buy of home crafts and produce, plus books. Anyone with books to spare may contact Jacqui Butcher or Jackie Shppard, who will be happy to collect before the day. Tickets are available from Hilary Corio or Anne Jones.

Please note that the date of the Progressive Supper has now been moved to Friday, 10th August - full details later.

June Martin thanked all those members who had helped out at the Chandler Day Centre - who are still desperately in need of assistance.
